

Prewitt gradient N500

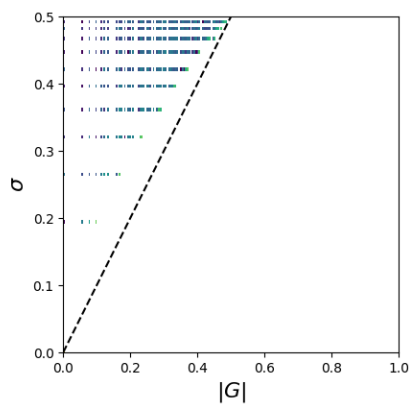

Directional gradient, no averaging filter

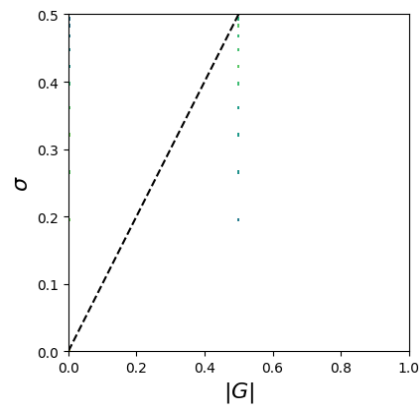

Prewitt, Double resolution N1024  
-> less partial volume effects

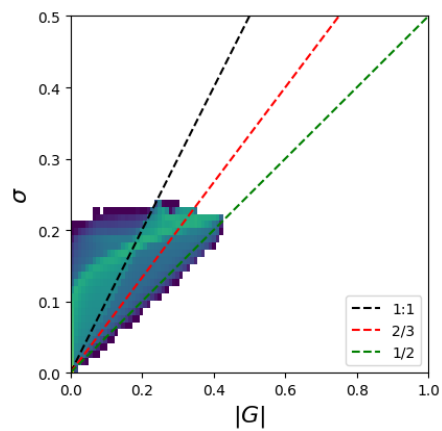

Directional, double resolution

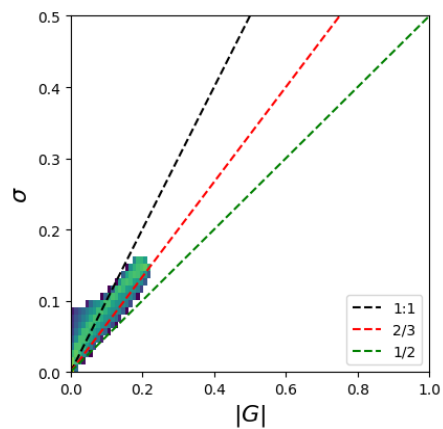

Prewitt thresholded  
-> no partial volume effects

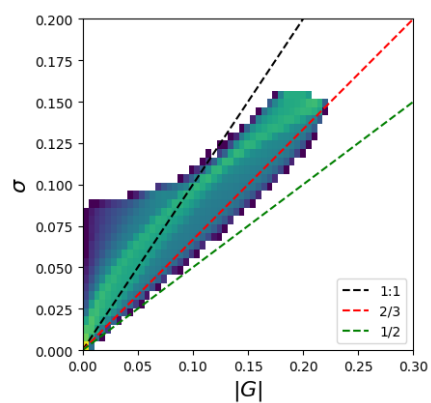

Directional thresholded

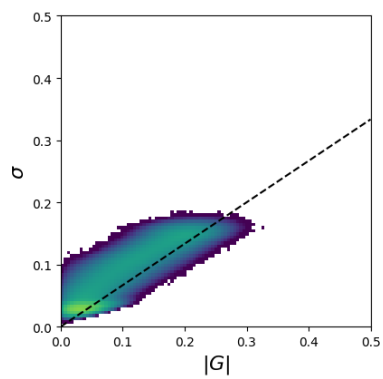

**Rescaled to 0.25 to 0.75**

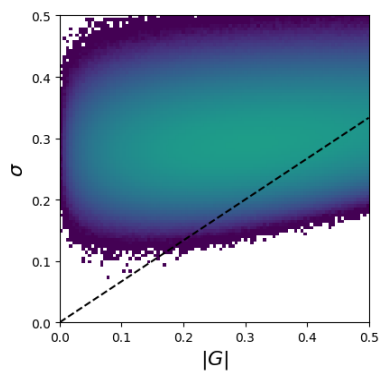

**+ Gaussian blur, sigma=0.8**

**Gaussian blur (zoomed)**

**+ Gaussian noise, sigma=0.03**

**+ Gaussian noise sigma=0.3**
